

## Lower Limb and Genital Lymphoedema Questionnaire for Men (LLGLQm)

**Self-completion questionnaire for men who have lower limb oedema and/or genital area oedema / Lymphoedema.**

**Today's date:** \_\_\_\_\_

Name, contact details and DoB or hospital number:

Swelling in the legs / genitals can be quite normal for a few weeks after some treatments or with some chronic conditions. Sometimes these can be difficult to describe but this questionnaire may help. Please complete the questions below to help us give you the appropriate advice and care.

<b>Personal Impact</b>		<b>Not at all</b> (or not relevant) <b>0</b>	<b>A little bit</b> <b>1</b>	<b>Quite a bit</b> <b>2</b>	<b>Very much</b> <b>3</b>
Over the <u>last month</u> how has the swelling affected your daily activities:					
<b>Please give one tick per row (for example)</b>			✓		
I have swelling:	in my leg(s)				
	in my genitals				
<b>If you feel you have <u>no</u> swelling at all you do not need to complete the rest of this questionnaire.</b>					
The swelling is worse by the end of the day					
The swelling is affecting:	which clothes/shoes I can wear				
	my sitting				
	getting in/out of bed				
	my walking				
	passing urine				
The skin around the swollen area:	my sexual function				
	feels tight				
	has changed colour				
	feels different				
The swelling gives me discomfort:	feels wet/cold				
	in my leg(s)				
I regularly need to take painkillers for the discomfort	in my genitals				
					<b>Please continue overleaf/next page.</b>

<i>Therapist to calculate after completion</i>		<i>Score for Personal Impact Section (score above / 48) x 100= % limited</i>	
------------------------------------------------	--	------------------------------------------------------------------------------	--

<b>On average <u>this week</u> how severe has the swelling been?</b>				
	0 =No swelling	1 = a little bit	2 = quite a bit	3 = very swollen
Legs				
Genitals				

Name, contact details and DoB or hospital number:

If you have swelling of your legs or genitals please show in this picture where it is, by shading like this: 

<b>Is there anything else you would like to tell us about how this is affecting you physically or emotionally?</b>		
	Yes	No
During the last year, have you needed antibiotics for infections (cellulitis) in your leg(s) or genitals?		
Have you been offered any advice or treatment for the things you have identified here?		
Would you like to discuss this with us?
